

The Spring Season of 1918

is approaching and the time for selecting your Spring Suit is now. We take pleasure in advising you that we are in a position to serve you as in the past and to give the fullest measure of careful attention to any orders with which you may favor us.

We are prepared to show you a complete and comprehensive line of materials, comprising the season's staple styles as well as novelties, and furthermore, we will adhere to the high character of workmanship and detail finish with which we have always endeavored to characterize our garments.

We earnestly advise the placing of orders early—owing to the market conditions—but can assure you that at any and all times we will give you a conscientious service in every particular. There is a distinctive "cut" to the garments that we produce—and this means a great deal in the matter of effect.

We will be very pleased to have you call, at which time we will gladly give you further details—and your visit will be appreciated.

Yours very truly,

C. W. Petersen Fine Custom Tailoring
